www.medicare.gov

Medicare provides information and tools 24 hours a day on the Medicare website. This website offers the following to help you make the most of your Medicare:

www.MyMedicare.gov

Register at www.MyMedicare.gov to get personalized information, like tracking your health care claims and preventive services you can use.

Plan Choices

Learn about Original Medicare, Medicare Advantage Plans (like an HMO or PPO), and Medicare Prescription Drug Plans.

Billing and Appeals

Learn how to read your Medicare Summary Notice and how to recognize, avoid, and prevent Medicare fraud. Get general appeals and grievance information.

Preventive Services

Find out what preventive services Medicare covers, and read important information that can help you stay healthy.

News and Updates

Stay informed about updates to your Medicare benefits.

Search Tools on www.medicare.gov

▶ **Compare Medicare Prescription Drug Plans**

Get a list of available plans and costs, find out which drugs are covered, and join a plan.

▶ **Compare Hospitals**

Compare hospitals in your area by seeing how often hospitals have provided recommended treatments for certain medical conditions.

▶ **Find a Medicare Publication**

View, order, or download free Medicare and health-related publications.

▶ **Find a Doctor**

Find doctors who accept Medicare near you.

▶ **Compare Home Health Agencies**

Compare home health agencies in your area by specific features and quality information.

▶ **Find Helpful Phone Numbers and Websites**

Find phone numbers and other websites to answer your questions.

▶ **Plan for Long-term Care**

Find out how much you can expect to pay for long-term care.

▶ **Compare Health Plans and Medigap Policies**

Answer simple questions and get personalized health plan information to help you compare health plans and Medigap policies in your area.

▶ **Compare Nursing Homes**

Compare nursing homes in your area by specific features, quality information, state inspection results, and nursing staff information.

▶ **Find Out if You Are Eligible for Medicare and When You Can Enroll**

Find out if, when, and how you can get Medicare, how to replace your Medicare card or change your address, and different ways to get help with health care costs.

▶ **Find Out What Medicare Covers**

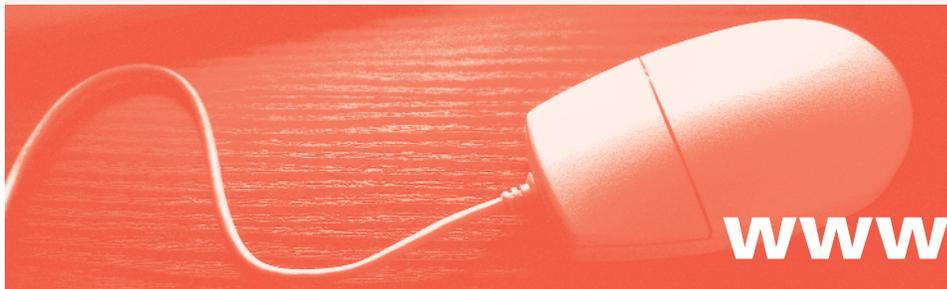

Understand what health care services are covered under Original Medicare and how much Medicare pays.

▶ **Find Suppliers of Medical Equipment**

Find medical supply companies that accept Medicare in your area.

▶ **Compare Dialysis Facilities**

Review quality information and features about dialysis facilities in your area.

www.medicare.gov

The Medicare website reaches more people with Medicare because of these features:

- Information in Spanish
- “Screen reader” versions of the site for people who are blind or have vision impairments and use special software
- Easy-print feature, so you can print without toolbars and extra text
- Frequently asked questions, so you can search for answers to Medicare questions
- Mailing lists, so you can get an e-mail when updates occur
- Search features, so you can view pages based on what interests you
