

# Looking for a Doctor?

## *Ask the doctor's office these questions:*

- ★ Are you accepting new patients?
- ★ Do you accept my Medicare plan?
- ★ Do you provide and track preventive services, like shots and screenings?
- ★ Do you prescribe electronically?
- ★ What are your office hours?
- ★ Which hospitals do you use?

Visit [www.medicare.gov](http://www.medicare.gov) or call 1-800-MEDICARE (1-800-633-4227) to learn more about finding a doctor, including information about the quality of various health care services. TTY users should call 1-877-486-2048.
