Are You Up-To-Date on Your Preventive Services?

Medicare covers a full range of preventive services to help keep you healthy and help find problems early, when treatment is most effective. Ask your doctor which of these services is right for you and use the space below to write down important information.

☐ One time “Welcome to Medicare” Preventive Visit—within the first 12 months you have Medicare Part B (Medical Insurance) ____________________________________________

☐ Yearly “Wellness” Visit—get this visit 12 months after your “Welcome to Medicare” preventive visit or 12 months after your Part B effective date ____________________________________________

☐ Abdominal Aortic Aneurysm Screening ____________________________________________

☐ Alcohol Misuse Screening and Counseling ____________________________________________

☐ Bone Mass Measurement (Bone Density Test) ____________________________________________

☐ Cardiovascular Disease (Behavioral Therapy) ____________________________________________

☐ Cardiovascular Screenings (cholesterol, lipids, triglycerides) ____________________________

☐ Colorectal Cancer Screenings ____________________________________________

☐ Depression Screening ____________________________________________

☐ Diabetes Screening ____________________________________________

☐ Diabetes Self-management Training ____________________________________________

☐ Flu Shot ____________________________________________
Your “Guide to Medicare Preventive Services” has more information about these and other preventive services, including costs and conditions that may apply. Visit [Medicare.gov/publications](https://www.medicare.gov/publications).

Paid for by the Department of Health & Human Services.
