

Introducing Care Compare

 on Medicare.gov!

Find and compare health care providers and settings in your area at [Medicare.gov/care-compare](https://www.medicare.gov/care-compare).

Use **Care Compare** to search for doctors, hospitals, nursing homes, and other health care services near you. Care Compare lets you easily navigate between these provider and care settings from a single entry point. The next time you're looking for a health care provider, Care Compare can help you find and review your options and make an informed decision.

Why use Care Compare?

- Search one easy-to-use place to start finding the right care for you in your area.
- Filter and sort options to help you customize your search to meet your needs.
- Get contact information, quality ratings, cost, and other information to help you decide. The quality ratings are unique to each provider and care setting.
- Compare providers easily on your phone or tablet.
