How to Check This Notice

Do you recognize the name of each facility? Check the dates.
Did you get the claims listed? Do they match those listed on your receipts and bills?
If you already paid the bill, did you pay the right amount? Check the maximum you may be billed. See if the claim was sent to your Medicare supplement insurance (Medigap) plan or other insurer. That plan may pay your share.

How to Report Fraud

If you think a facility or business is involved in fraud, call us at 1-800-MEDICARE (1-800-633-4227).

Some examples of fraud include offers for free medical services or billing you for Medicare services you didn't get. If we determine that your tip led to uncovering fraud, you may qualify for a reward.

You can make a difference! Last year, Medicare saved tax-payers $4.2 billion—the largest sum ever recovered in a single year—thanks to people who reported suspicious activity to Medicare.

How to Get Help with Your Questions

Contact your State Health Insurance Program (SHIP) for free, local health insurance counseling. Call 1-555-555-5555.

Your Benefit Periods

Your hospital and skilled nursing facility (SNF) stays are measured in **benefit days** and **benefit periods**. Every day that you spend in a hospital or SNF counts toward the benefit days in that benefit period. A benefit period begins the day you first receive inpatient hospital services or, in certain circumstances, SNF services, and ends when you haven't received any inpatient care in a hospital or inpatient skilled care in a SNF for 60 days in a row.

Inpatient Hospital: You have **56 out of 90 covered benefit days** remaining for the benefit period that began May 27, 2020.

Skilled Nursing Facility: You have **63 out of 100 covered benefit days** remaining for the benefit period that began May 27, 2020.

See your “Medicare & You” handbook for more information on benefit periods.

How to Report with Your Questions

Get a pneumococcal shot. You may only need it once in a lifetime. Contact your health care provider about getting this shot. You pay nothing if your health care provider accepts Medicare assignment.

To report a change of address, call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778.

Early detection is your best protection. Schedule your mammogram today, and remember that Medicare helps pay for screening mammograms.

Want to see your claims right away? Access your Original Medicare claims at www.Medicare.gov, usually within 24 hours after Medicare processes the claim. You can use the “Blue Button” feature to help keep track of your personal health records.
