About Premium Overpayments

You may not specify how additional payments are applied. Any overpayments will be applied first to any past due balance, then to Medicare Part B and Part A, and lastly to Part D-IRMAA (only if you pay for Part A or Part D-IRMAA).

Visit Medicare.gov for updated premium amounts and other basic costs.

Get Help Paying Your Medicare Costs

If you need help paying your Medicare costs, contact your State Medical Assistance Office (Medicaid) to see if you qualify for a Medicare Savings Program. To learn more, go to Medicare.gov/medicare-savings-programs. You can also contact your State Health Insurance Assistance Program (SHIP). Visit Medicare.gov/talk-to-someone for the phone number of the SHIP in your state.

About IRMAA

IRMAA is an **Income-Related Monthly Adjustment Amount** that some people must pay for Part B and Part D coverage because they have a higher income. If you owe IRMAA for Part B or D, you'll see this cost in the “Summary Of Charges.”

What Happens If I Don't Pay?

If you don't pay your Part A or Part B premium and any IRMAA amounts, **you will lose coverage**, and you must still pay the total premium amounts you owe.

To reapply for Medicare later, you may have to wait to enroll. You may also have to pay a higher monthly premium amount for Part A as well as a lifetime late enrollment penalty for Part B and Part D.

IRMAA costs can change. For questions about your Part B or Part D-IRMAA amount, or if you think your IRMAA amount is too high, call Social Security at 1-800-772-1213. TTY users call 1-800-325-0778.
